REZONING CASE #: Z-26-23

ACCELA: CN-RZZ-2023-00011

DESCRIPTION: Zoning Map Amendment
RM-1 (Residential Medium Density) to AG (Agricultural)

APPLICANT/OWNER: Roberto Nicolia

LOCATION: 3010 New Town Way SW

PIN#: p/o 5519-14-7860, p/o 5519-23-2971

AREA: +/- 1.29 acres

ZONING: RM-1 (Residential Medium Density), I-2 (General Industrial),
AG (Agricultural)

PREPARED BY: Fred Womble, Planner

BACKGROUND

The subject property consists of portions of two (2) parcels comprising +/- 1.29 acres located on the east side of George W. Liles Parkway SW and south of the intersection of George W. Liles Parkway SW and Hamrick Rd SW. The property is owned by Bootsmead Leasco, LLC and is part of the larger Grounds of Concord properties (formerly the site of Philip Morris). New Town Way SW is located on the western side of the Grounds of Concord properties and is accessed via George W. Liles Pkwy SW. The subject properties were annexed on June 30, 1983 and were a part of the larger annexation which included the Philip Morris facility.

SUMMARY OF REQUEST

The applicant is requesting to rezone portions of the subject properties from RM-1 to AG (Agricultural) in order to construct a 50,750-sf industrial facility with outdoor storage. The rezoning of the portions of the two (2) tracts will create the necessary 500-foot separation required for the outdoor storage associated with the proposed industrial facility.

Existing Zoning and Land Uses (Subject Parcel)					
Current Zoning of Subject Property	Zoning Within 500 Feet		Land Uses(s) of Subject Property	Land Uses within 500 Feet	
RM-1 (Residential Medium Density); I-2 (General Industrial); AG (Agricultural)	North	AG (Agricultural); I-2 (General Industrial)	Vacant	North	Industrial, Vacant
	South	AG (Agricultural); RM-1 (Residential Medium Density); RV (Residential Village); I-2 (General Industrial)		South	Residential
	East	I-2 (General Industrial); AG (Agricultural)		East	Industrial, Vacant
	West	RM-1 (Residential Medium Density); AG (Agricultural); I-2 (General Industrial); RM-2 (Residential Medium Density)		West	Residential

COMPLIANCE WITH 2030 LAND USE PLAN

The 2030 Land Use Plan (LUP) designates the subject property as “Industrial-Employment (IE).” AG (Agricultural) is not a corresponding zoning district to the “Industrial-Employment” land use category, and therefore is not consistent with the land use plan. The applicant will be required to petition City Council to request an amendment to the 2030 Land Use Plan.

From the 2030 Land Use Plan – “Industrial-Employment” (IE)

The intent of the Industrial/Employment (IE) Future Land Use category is to identify those areas that have either already developed as industrial or are suited for additional industrial development due to the presence of infrastructure and access to transportation routes, such as major highways and railroads. These industrial areas should be preserved for employment uses to generate jobs for the community.

Industrial uses have already developed in several areas throughout the community, most of which are light industrial in function and impact. The 2030 Plan identifies the need to protect industrial lands, and to encourage additional growth in industrial/employment uses in designated areas, particularly around Concord Regional Airport, and along 1-85 between Pitts School Road and Rocky River. Additionally, some light industrial/employment uses are encouraged to locate in Mixed-Use Districts, depending upon their intensity, as identified earlier in this section.

Policy Guidance:

Objective 1.3: Ensure that the Future Land Use Map allows sufficient development opportunities to meet existing and projected needs for residential, commercial, industrial and other land uses.

Objective 1.4: Protect existing and future industrial sites from encroachment of development that would limit their intended uses.

SUGGESTED STATEMENT OF CONSISTENCY

- The two (2) parent parcels consist of approximately +/- 25.06 acres and are zoned RM-1 (Residential Medium Density), AG (Agricultural), and I-2 (General Industrial).
- The subject property for the rezoning petition is approximately +/- 1.29 acres and is currently zoned RM-1 (Residential Medium Density).
- The subject property was annexed into the City on June 30, 1983.
- The proposed zoning is not consistent with the 2030 Land Use Plan (LUP) as AG (Agricultural) is not a corresponding zoning classification to the Industrial-Employment (I-E) Land Use Category.
- The zoning amendment is reasonable and in the public interest as it is consistent with the existing zoning adjacent to the subject property. The zoning amendment and subsequent LUP amendment are necessary to meet the outdoor storage separation requirements for the proposed industrial use facility to be constructed.

SUGGESTED RECOMMENDATION AND CONDITIONS

City staff does not have any issues with the proposal. No conditions may be applied as the request is not for a “Conditional District.”

PROCEDURAL CONSIDERATIONS

This particular case is a rezoning, which under the CDO, is legislative in nature. Legislative hearings do not require the swearing or affirming of witnesses prior to testimony at the public hearing. As the request is not a Conditional District no conditions may be applied.
